SOUL FOOD: MEMPHIS' BEST RESTAURANTS AND DINING SPOTS

As one of the central cultural hubs of the American South, Memphis' contributions to Southern gastronomy are multiple; not only is the city home to some of the nation's best BBQ restaurants, serving Memphis-style barbecue, it is also the locus of an emerging new Southern food scene that prizes Southern flavours and creative culinary combinations. From deep-fried Southern cooking to the top barbecue joints in Memphis, we take a look at Memphis' thriving culinary scene to discover the best food and restaurants in the city.

To enter Memphis' famed [Majestic Grille](#) in downtown Memphis is to step back in time into another world. Housed in what was once the Majestic Theatre, a silent picture house built in 1913, the Majestic Grille exudes Hollywood glamour with its swanky Beaux Arts décor and vintage-chic ambiance. Giving a nod to its theatre past, a unique highlight of the Majestic Grille is its large movie screen that shows silent films and movie classics. Regularly tipped for 'Best of Memphis' awards, the Majestic Grille is a favourite for its New American cuisine and weekend brunch.

Address: Majestic Grille, 145 South Main Street, Memphis, Tennessee 38103.
